## Aldinga Camp - Rooms Room 7 and Room 8

Dear Parents/ Caregivers,

Only one week until our camp and fingers crossed for beautiful weather.

A few reminders for you, which will be very helpful for us.

- If you have indicated on your camp form that your child needs **medication** please hand it to your **class teacher in a clearly labelled bag with clear instructions** on the morning we depart for camp.
- We suggest **one** soft favourite small toy from home for sleeping with. If your child would like to carry this toy with them on the bus they are welcome to but it must be clearly named. Otherwise please pack the soft toy in your child's bag. Also **one** book /novel your child is reading.
- Please label all clothing and bed linen - very important especially at packing up time!
- A suggestion is to put each day's clothing into a separate, labelled plastic bag. This helps enormously when children are dressing each day.
- One large plastic bag is handy to place all dirty clothes in.
- Remember a labelled tea towel - yes they will have kitchen duties!
- Please limit your children to one **small** bag of lollies.
- **Lunch** and a **drink bottle** are needed for **Day 1**.
- **The bus will depart at 9:30 Wednesday 6<sup>th</sup> June**, children are asked to meet in their rooms after leaving their bags and belongings outside **Room 12** weather permitting!
- **We will arrive back Friday 8<sup>th</sup> June at approximately 2:30; children can be collected at this time or from the classroom by 3:15.**

Thanking you for your co-operation

Trudi and Alex
