Government of South Australia
Department for Education

Dear Families,

The end of the term is fast approaching, and interviews have nearly all been completed. If you haven't had the chance to be involved in an interview to hear about your child's progress and the goals they have set around their learning for the year, please contact your child's teacher. We value the insights you can give into your child's academic, physical, and social abilities as these assist teachers to plan for and implement learning opportunities for your child.

Swimming Carnival and Harmony Day were great events this term and we recognise the planning and preparation undertaken by teachers Joe, Connor, and Anna to make these days successful. It was wonderful to be able to have families attend the Swimming Carnival, and we thank these families for supporting our students. The House Captains did a fantastic job at the Swimming Carnival setting up each of the house tents, leading the house cheers and rallying their teams during events. Congratulations to the victorious Warren for their efforts on the day! If you have any feedback you would like us to consider for next year, please email me.

Please be aware of safety when parking at school drop-off and pick-up times on Osmond Terrace. Many cars are double parking in the bicycle lane, which is extremely hazardous to cyclists, as well as being illegal. Cars are also parking in the school driveway and then reversing over the footpath which puts pedestrians at risk, particularly NPS students and their families. The safety and well-being of our NPS students is our priority and though we know that school drop-off and pick-up can be a particularly chaotic time, we please ask that particular care is taken at these times. We also ask that families support the students involved in monitoring the traffic crossing on Osmond Terrace, these students volunteer for this role and have been trained to follow the SAPOL guidelines for safer school crossings. We thank you for your co-operation.

It has been an extremely busy term and I know our students are looking forward to a well-earned rest during the school holidays. Please contact Norwood Out of School Hours Care to access their school holiday programs if required.

As we enjoy our holidays it is important to remind our children about how to keep safe and what to do if they are feeling unsafe. This may include online or when in our local community.

We wish all families a happy and restful long weekend and school holiday break and we look forward to returning on Tuesday 27th April (Monday is the ANZAC Day public holiday) for another productive term!

Kind regards,

Melissa

Kind-on-Purpose

In our whole-school friendship strategy- **Friendology**, we teach the students how to manage conflict and we define conflict into two categories: **Friendship Fires** and **Mean-on-Purpose** behaviour. By teaching students to respond to conflict in a healthy way and stand up to **Mean-on-Purpose** behaviour, we create cultures of kindness in our school.

The importance of intentional acts of kindness- Studies show that children who exhibit kindness are more socially accepted by peers. In other words, children who are kind are more well-liked and have more friends. Not only that, children who engage in acts of kindness improve their own wellbeing.

We can get even more intentional about creating kindness by introducing students to **Kind-on-Purpose** and **Kind-on-Accident** behaviour. We want to teach our students that kindness is a choice and to understand that kindness is a type of behavior marked by acts of generosity, consideration, or concern for others, without expecting praise or reward.

Tips for cultivating kindness:

1. **Model kindness** – lead by example and show your children what being kind looks like.
2. **Notice kindness** – recognise and praise your children when you notice them being kind.
3. **Stand up for others** – if you notice someone is being **'Mean-on- Purpose,'** stand up for them. Give them your support and let them know they're not alone.
4. **Be kind to yourself** – remember no-one is perfect and sometimes aim for 'good enough' and relax as it is!

This **Active April** calendar has daily actions to help us remember be kind to ourselves.

Active April 2021

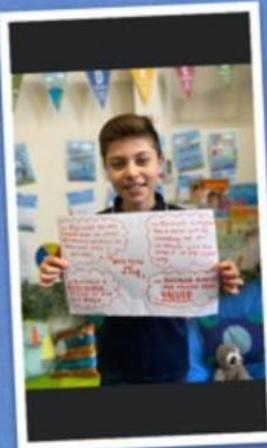

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY	SUNDAY
1. Commit to being more active this month, starting today	2. Listen to your body and be grateful for what it can do	3. Spend as much time as possible outdoors today	4. Have a day free from TV or screens and get moving instead	5. Eat healthy and natural food today and drink lots of water	6. Turn a regular activity into a playful game today	7. Do a body-scan meditation and really notice how your body feels
8. Get natural light early in the day. Dim the lights in the evening	9. Give your body a boost by laughing or making someone laugh	10. Turn your housework or chores into a fun form of exercise	11. Be active outside. Dig up weeds or plant some seeds	12. Set yourself an exercise goal or sign up to an activity challenge	13. Move as much as possible, even if you're stuck inside	14. Make sleep a priority and go to bed in good time
15. Relax your body & mind with yoga, tai chi or meditation	16. Get active by singing today (even if you think you can't sing!)	17. Go exploring around your local area and notice new things	18. Make time to run, swim, dance, cycle or stretch today	19. Have a 'no screens' night and take time to recharge yourself	20. Spend less time sitting today. Get up and move more often	21. Focus on 'eating a rainbow' of multi-coloured vegetables today
22. Regularly pause to stretch and breathe during the day	23. Enjoy moving to your favourite music. Really go for it	24. Go out and do an errand for a loved one or neighbour	25. Get active in nature. Feed the birds or go wildlife-spotting	26. Try a new online exercise, activity or dance class	27. Take an extra break in your day and walk outside for 15 minutes	28. Find a fun exercise to do while waiting for the kettle to boil
29. Meet a friend outside for a walk and a chat	30. Become an activist for a cause you really believe in					

ACTION FOR HAPPINESS **Happier · Kinder · Together**

National Day of Action Against Bullying and Violence

The Minister for Education, the Hon John Gardner visited today and got to hear about the work we are doing to take a stand against bullying. He saw our Kids Matter space with the SRC students showing him a range of activities on offer at break times. Some of our school captains also got to talk to him about our next play space project of a shelter with tables and chairs. We have also sent messages about why it's important to speak up if you see someone being bullied on the Department for Education, South Australia Facebook page.

Governing Council Members

We would like to introduce our 2021 Governing Council parent members.
Governing Council committees are Finance, Facilities, Education, OSHC Advisory
and Community Engagement and Fundraising.

From the left back row: Dan Pryor, Susan Baker, Aimee Patten, Rachel Sinclair, Aviv Shallev.
Front row: Mona Jamshaid, Ros Usher, Samantha Pitson and Marc Morrell.
Gemma Page was unfortunately unavailable when the photo was taken.

Our NPS Governing Council welcomed its new members at our meeting on 15 March, following the AGM earlier in the term. We are pleased to have Aviv, Gemma and Sam join the Council, and appreciate the years of service from departing members Alec, Jane and Libby.

This year we are all looking forward to getting back into a more regular rhythm of opportunities for our school families to come together. We will be working with our parent class reps to help get us all connected at the classroom and year level and have already seen some great examples with the Easter Egg hunts! We also plan to share dates of key events for us to come together as a full school community over the year – with the Term 2 Art Show in June being the next main event.

This year, from a policy side, the Council will be focussing on the revision of the 'sun smart' policy and the new requirement for a policy around mobile devices. The **sun smart policy** is due for an update under the School's regular policy review cycle. This will be worked on by the Council this year and available to the community later in the year – please feel free to contribute ideas if you are passionate about this topic. The Council had a good discussion around **mobile device policy** considerations that helped us understand the challenges for the School around the increased number of personal mobile devices students are bringing to school, and how they can be managed. We discussed considerations such as the interruptions and distractions to student concentration when mobile devices were in the classroom or playground; the increased desire for some children to have a device for their safety in transit to and from school; plus the complexity of device security, and who is responsible and liable for damage and loss. This is an emerging challenge that all schools need to work out how to manage and the Council expects to hear more as the year goes on.

We look forward to hearing from you about what is important to you about the School and how you'd like to be involved... stay tuned for more on that in Term 2. In the meanwhile, feel free to speak with any of your Governing Council members if you'd like to discuss anything, or just to introduce yourself! We really love being part of the Norwood PS school community and meeting new members.

Second Hand Footy Boots

Football and soccer training begins in earnest here at NPS in Term 2.

If you're looking for clean, second hand footy boots, the uniform shop carries a small stock of various sizes that have kindly been donated by NPS families.

Alternatively if you happen to have clean 2nd hand footy boots that your son or daughter has outgrown, we would love to take them off your hands.

All donations can be left with either Kerri or Tracey at the front office or can be dropped in to the uniform shop.

Indigenous Art Workshop

Tuesday 20 April - St Peters Library

10.30 am - 12 pm - For ages 8-12

\$5 - Bookings essential

Join Nikki Carabetta for a creative and interactive art workshop. Nikki is an Adelaide-based Aboriginal artist with Yamaji and Brinkin/ Ngangikurrungurr heritage. Her art is original dot art, combining traditional styles with contemporary techniques and mediums.

In this workshop Nikki will share her culture and art practices, and children will tell their own stories through painting on canvas.

Macramé Owl Workshop

Wednesday 21 April - Payneham Library

1-3 pm - For ages 10 and up

\$5 - Bookings essential

The knotting technique of macramé has been used for centuries to create ornamental and useful objects ranging from plant hangers to hammocks. While popular in the 1970's, it has made a huge comeback in recent times!

During this workshop you will learn some basic macramé knots, then have fun using them to create a quirky owl wall hanging. All materials provided. Parents interested in joining in are welcome to come along too. Children under 12 will require a parent or guardian to assist them throughout the workshop.

POP UP WHEEL PARK

A dedicated wheel park is popping up at Payneham Swimming Centre during the April school holidays.

Bring along your favourite set of wheels—be it a bike, scooter or skateboard—and enjoy a fun and free day out! Don't forget to play it safe and bring your safety gear, including helmet.
