**Proud Sponsor of**  
**Mulberry Hall**

Dear Families,

This week our Reception to Year 5 students have participated in **water safety sessions** at the ARC Campbelltown. These sessions were postponed earlier in the year and we have been very fortunate to have the opportunity to continue this learning. Our students learned a variety of skills including entering the water safely to learning how to stay safe around different waterways.

On our **Student Free Day** on Tuesday 14th of June, staff will continue to work collaboratively to explore the curriculum resources provided by the Department for Education to ensure we are delivering a high quality, guaranteed and viable curriculum. They will review their current teaching practices and develop further assessment tasks linked to the Australian Curriculum to support the learning outcomes of our students.

**NAPLAN** online testing occurred last week with makeup days this week for any Year 3 & 5 students who were absent during the testing period. We will receive results from the tests later this year and these results will be analysed and used to determine any patterns and future directions for students and the school.

Last week our **Walk to School Safely Day** was a great success with almost 85% of our school community participating in the morning walk to school! A big thank you to Foodland for supporting us by providing fresh fruit for our students, to the parents who volunteered their time to set up and serve, and to our school staff for leading groups of students from the various starting points. Some of the students enjoyed the opportunity to promote this message through the Seven News weather live crosses. It was certainly a great celebration of healthy activities and being safe in our community!

We are continuing our focus on Actions for Happiness and using the 10 key actions to support our **GREAT DREAM** philosophy. Each week there will be more information shared through the Skoolbag App about the GREAT DREAM actions and how these can enhance the wellbeing of our community. Please connect to Skoolbag App so you can continue to receive this information.

Next week is **Reconciliation Week** with the theme of **Be Brave Make Change**. Our Year 6 students will be leading activities focused on learning about Reconciliation. This will culminate in an Assembly on Friday where we will have Michael Miller, who is a Kaurna Nao man from South Australia and the executive director of Mimi Arts in Katherine (Australia's oldest art centre), who will be presenting a Welcome to Country. Unfortunately we are still unable to invite families to our assemblies, however, I'm sure our students will be happy to share their experience with you!

We wish Sue from NOSH all the very best as she leaves us to take on new pursuits. We thank her for the contribution and impact she has had to many of our students' lives through the NOSH program.

Kind regards,  
**Melissa**

## Governing Council Report

The Governing Council are happy to see the completion of the new covered seating area outside Mulberry Hall. From all reports, the students are enjoying using this new space. The mulberry tree outside Mulberry Hall had to be moved for the development and has been carefully transplanted to the front of the school. Mulberry Hall's namesake still remains. It is a timely reminder that the nature play and outdoor development was funded by school fundraising. Parent and student volunteering, donations and supporting fundraising events are vital for further developments to benefit our children (plus it's great fun volunteering and meeting other families). It is understandable that time commitments can be difficult when juggling the workload of life but an extra set of hands for even a short period of time is always appreciated. Unfortunately the federal election sausage sizzle could not go ahead due to lack of volunteers. The Community Engagement and Fundraising Committee are having an informal meeting next Tuesday 31st May at 6pm at The Colonist, all are welcome to come and share ideas!

Due to the weather, whole school assemblies have been moved back indoors. Unfortunately due to the number of people to room size restrictions that the Department of Education recommends, there is not enough capacity for parents to attend. This is something that continues to be discussed at GC meetings to ensure the safety of our school community.

The Art Show will be held in Mulberry Hall on 29th June. Families will be allowed in the hall for this event as it will be staggered entry throughout the afternoon and evening.

Finally, the GC would like to recognise and thank the contributions of Sue from NOSHC who is moving on to new challenges. She has been an asset to the service and we wish her well. A gift has been organised on behalf of the school community.

**Written by Aimee Patten on behalf of the Governing Council**

(Ros Usher, Sam Pitson, Wendy Haydon, Susan Baker, Gemma Page, Dan Pryor, Jemma Anderson, Iresha Anodani and Amy Myles)

We hope everyone is enjoying our newly completed pergola area. We think it's great!

## 2023 Enrolments

☆☆☆☆ If there are families living within our catchment area who are looking to enrol their child for **Reception 2023**, a Registration of Interest for Reception Placement (ROI) will need to be completed as soon as possible to ensure a place is allocated for their child.

☆☆ This includes younger siblings of students currently with us.

Also if you know that you will be moving on at the end of the year, could you please advise us as soon as possible?

☆ We are already looking at numbers for next year and early information is vital to the process. ☆

☆ If you require an ROI or any further information please contact Kerri in the front office  
☆ [kerri.linke607@schools.sa.edu.au](mailto:kerri.linke607@schools.sa.edu.au) Tel 8362 4666.

## WE NEED YOUR HELP!

- Planning events for the school community!
- Raising funds for school improvement
- Filling volunteer roles
- Supporting one another and our students
- Increasing involvement

This term we are continuing to embed the 'Action For Happiness: GREAT DREAM' within our NPS community by focusing on one of the actions each fortnight and our school awards will reflect this. During the next two weeks we will be focusing on **Relating**.

This June calendar has daily actions to bring happiness to ourselves and others.

See how many of these actions you can do as a family.

# EALD at Norwood

At Norwood Primary School, we are fortunate to have such a culturally diverse community. EALD stands for English as an Additional Language or Dialect. EALD students are those children who are from families of a non-English speaking background.

At Norwood, we offer a strong EALD program, in which students are supported in further developing and enriching their Standard Australian English.

EALD teaching involves small group withdrawal and in class support, to further model explicit language strategies and for students to experience even greater success with their skill development and learning. Our learning program complements all classroom learning, focusing on the Australian Curriculum.

Across R - 6, we focus on the explicit teaching of phonics and word knowledge, vocabulary development, reading comprehension, oral language skills, genre writing (structure and language features), functional grammar, along with sentence and paragraph structure. Students are highly engaged in our EALD learning activities whilst developing their skills.

## **Our EALD Staff include:**

- Anna Bowers supports students across Years R-2.
- Marissa Ruolle supports students across Years 3-6 and EALD administration.
