Dear Families,

Welcome back everyone to the beginning of Term 3. We have had a very busy start to the term with several new families joining our school community. We welcome our new students and have already seen new friendships growing.

We thank our outgoing SRC representatives for their contributions to Student Voice and we congratulate and welcome our new SRC representatives for Semester 2 who were presented with their badges at our assembly this week.

***Thank you to our outgoing Semester One SRC Representatives***

Some of our teachers have had the opportunity to take some long service leave and we welcome Claudia Duran in Room 5 (Weeks 1-4) and Sarah Clair in Room 13 (Week 1-2) to our staff. Di Harrington is continuing our Wellbeing focus for Lisa Conroy while she and her family are currently overseas.

Term 3 is set to be a busy term, with activities such as Tri-Skills gymnastics for our Early Years, Book Week, Norwood's Got Talent, Way-to-Go Bike Riding and Festival Choir. There are so many exciting things coming up for our students, so please keep an eye on Seesaw and Skoolbag for announcements. If you have not yet connected with Skoolbag, please do so as soon as possible to avoid missing any new notifications. Thank you to our dedicated teachers for including these opportunities into their teaching and learning programs.

We look forward to the Pupil Free Day on Friday week 3 where we will have professional learning with Ali Newbold from the Brightpath Writing Team to explore the teaching, moderation and assessment of Informative Texts. This continues our commitment to ongoing improvement in student writing.

This term will also see teachers continue our focus in numeracy and the concepts surrounding the 'Big Ideas in Number' where an increased capacity in students' understanding and fluency in using numbers and operations will support their problem solving and reasoning proficiency. Staff are working with Helen Booth from the Mathematics Association of South Australia to explore opportunities to design highly engaging learning tasks. Both of these actions are part of our Site Improvement Plan.

As we enter the second semester of the school year, we are beginning to plan for 2023. If your child will not be returning to Norwood Primary School next year, please contact the Front Office as soon as possible. If you have not already done so and you have a child who is turning five before May 2023, please ensure you have submitted a registration of enrolment with Kerri Linke.

Term 3 sport has begun and we hope our students continue to develop their skills and have fun participating against other local schools.

**Kind regards,**  
**Melissa**

## KEYS TO HAPPIER LIVING

## Direction

Have goals to look forward to

Set a goal and take the first step to make it happen

ALBUQUERQUE

Our next 'Action For Happiness: 'GREAT DREAM'  
focus for students is  
'Direction.'

At the start of the term we set goals to work towards. It is important for students to know what their next steps are and have a clear direction.

## DIRECTION

Being optimistic means having a positive outlook on life, both in good times and when we face difficulties and challenges.

Think of a goal you are working towards or one you would like to set for yourself.

This August calendar has daily actions to bring happiness to ourselves and others.

See how many of these actions you can do as a family over the next month.

YEAR 3 2022

# Exploring Living Things in Term 2

Have you ever seen a rhino this close before?

Rooms 8 and 9 have. Students journeyed to Monarto Safari Park in Term 2 to learn more about about animals habitats, their differences and similarities.

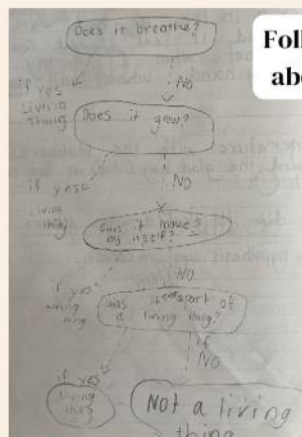

In Biological Science, the year 3's focused on:

Throughout the Term, students researched an animal of their choice, finding information about its characteristics using MRS GREN.

**M**ovement **R**espiration **S**ensitivity  
**G**rowth **R**eproduction **E**xcretion **N**utrition

Animals move in such different ways to each other in order to survive, find food and shelter. Did you know kangaroos can not move backwards? Instead they need to move forward and around in a circle to back track.

Did you know a cheetah's respiration rate reaches 150 breaths per minute when chasing prey? Many of our students reached near this number by exhausting themselves for a couple of minutes, sprinting around the basketball court. Many think humans are fully grown at the age of 18 when classed as an 'adult' but instead, many aren't fully grown until the age of 25 while others are closer to 30.

Follow Charlotte's flow chart about what is a living thing.

Can you work out who's poo belongs to who? Excretion is an important process for all living things.

The excretion belongs to a:

- panda
- dog
- pigeon
- cat
- possum
- wombat
- kangaroo
- horse
- rhino
- chicken
- cow
- rabbit

Did you know that carrots, lettuce and more fruit and vegetables in the supermarket are all still classed living things? Anything that is alive, apart or once apart of a living thing is classified as a living thing.

Emperor Penguins  
By Elena Paglia

**Classification:**  
Emperor Penguins are in the bird family even though they can't fly.

**Characteristics:**  
Emperor Penguins are a cute bird with white, black, grey and a bit of yellow on their skin with a big beak.

**Diet:**  
Emperor Penguins mostly feed on Antarctic silver fish as well as other species of fish, krill and some squid. They are carnivores.

**Movement:**  
Emperor Penguins swim in a huddle. Emperor Penguins like their position in a waddle like movement.

**Emperor Penguins**

**Respiration:**  
They rely on breathing oxygen from air like other birds, and like us too.

**Sensitivity:**  
Emperor penguins are extremely sensitive to climate change.

**Growth:**  
Over the course of a few months, emperor penguin chicks grow to between 3 and 4 feet tall.

**Reproduction:**  
A female emperor penguin makes a single egg to her mate.

**Excretion:**  
No, Emperor penguins do not pee but they do poo, like all birds, penguins don't have a urethra.

**Nutrition:**  
They catch prey with their bills and swallow it whole while swimming.

**Habitat:**  
Emperor penguins live along the edges of Antarctica.

Read Elena's information about...

Now watch out if you see an oar fish washed up or near the shore, you can't miss the long fish. Did you know oar fish have the sensitivity to predict whether an earthquake is coming to a country? If you ever see one, protect yourself and find shelter! Thank you Chung Yin for notifying us all.

# RECEPTION—Rooms 3 and 4

*If you are passing by the front office anytime in the next 3 weeks, pop in and see our wonderful Friendship Ninjas on display!*

*Last term we discussed and practised friendship skills which help us develop and maintain friendships. We will be learning more about using our friendship skills this term to deal with conflict – 'friendship fires'.*

*We had lots of fun on Wednesday celebrating '101 Days of School' .....woof!*

# Music News

Students are looking forward to the **Instrumental Music Concert** coming up this term on **Sunday 28<sup>th</sup> August** (after Week 5), in Mulberry Hall.

We can now confirm that the starting time will be **3 pm** and it should finish at around **4:15 pm**.

Over the coming weeks Melissa and Michael will assist interested students with their choice of piece and preparation.

This is a great opportunity for students to showcase their musical talents!

## **New enrolments for Term 3:**

Students interested in starting to learn an instrument at the school with Michael Beare or Melissa Burrows this term are invited to enquire/enrol now to secure a place.

We offer lessons for piano, keyboard, flute, clarinet, saxophone, trombone and recorder.

Our yellow information/enrolment brochures are available at the front office, or alternatively please

contact Michael 0403004733 [michaelbeare@adam.com.au](mailto:michaelbeare@adam.com.au)

or Melissa 0422667261 [mburrows@adam.com.au](mailto:mburrows@adam.com.au) for more information.

### With Love Formal Wear Inc

📍 1506 Main North Road, Salisbury South, 5106

☎ 0458644776

Formals and graduations are events young people look forward to each year. But what do young people do when they can't afford to purchase formal wear???

Well there's no need to worry any longer! With Love Formal Wear is a non-for-profit charity based in Salisbury South that gifts pre-loved formalwear to Year 6 and 12 students.

Our monthly event provides free formal and graduation attire for school events aimed at making formals affordable and memorable. This includes helping students with clothing, shoes, accessories, and makeup.

Any Year 6 that needs our service is most welcome to attend. We operate on the honor system, so no proof of financial difficulty is necessary.

All formal wear has been generously donated by community members. It's a heart (With Love) to heart donation. We have a large range of woman's wear size 6-26 and a variety of boy's wear.

The boutique also offers 1:1 session for young people with disabilities on alternative dates, giving them a quiet, low sensory environment.

The committee has a strong connection with Support Services at Para Hills Channel 1 and Leaders within the Education Department.

The team are focused on the principle "It takes a village to raise a child".

In 2021 we helped dress 200 students. This year we would love to help many more.

Our events are Covid safe with booking essential. A gift certificate that can be shared with students and families.

If you would like further information please contact Joss Adele at [joss@withloveformalwear.com](mailto:joss@withloveformalwear.com) or
