Dear Families,

Welcome to term 4 and to our new families. We also welcome Deb Parsons (teacher) to our staff. Deb will have numerous roles across the school supporting students with their learning including supporting our transition to school program for our 2024 reception students. Deb will be working Wednesday—Friday. We also welcome a new SSO, Jas who has replaced Tanya who has won a SSO position at another school.

Staffing for 2023 is well underway and we have been lucky enough to have Emily White and Sinéad Tillman appointed to our staff permanently. As we begin to prepare for classes we offer parents the opportunity to send me an email (melissa.evans753@schools.sa.edu.au) with any requests you have based on the needs of your child. We cannot guarantee that your request will be met as there are a number of considerations that we take into account, however, we will be in contact with you if this is the case. Each student is asked for the names of 5 students in their year level who they are able to work well with. This information, parent request information and teacher's knowledge of the students are all included to determine their class placement for next year. We try to guarantee that at least one person from the child's list is in their class. The class placement exercise takes considerable time with staff all involved to ensure the mix of our students will set our classes up for success.

Over the past 3 weeks we have had carpets replaced in our library and the year 3 and 4 classes. Your generous donations to the building fund helps us to be able to go ahead with these projects.

HELP is needed on Monday to return our library to working order. If you have a few hours spare Monday morning after drop off please call into the front office and we will set you off to work!

This term students are required to wear hats whenever they are outside as the UV reading is consistently higher than 3. Please ensure your child has a labelled hat so they can participate in outdoor learning activities and play.

Our Governing Council will meet at 7pm on Monday 31st October to finalise our school fees. All parents are invited to attend the start of this meeting to give any feedback about our school fees which are proposed for \$470 (a further breakdown is included in this newsletter). If you are unable to attend in person you can do virtually by webex <https://schoolssaeduau.webex.com/meet/staffroom.site0131960> or email any feedback to melissa.evans753@schools.sa.edu.au and this information will be presented to our Governing Council members. Please note over the past 3 years the school fees have remained at \$450, however, due to rising costs we have proposed the increase in fees.

Fourth term is always a busy term and this term is no exception. We look forward to our upcoming events. Please keep up to date with what is happening through Seesaw messages and the Skoolbag app.

Kind Regards,

Melissa

This term we are continuing to embed the 'Action For Happiness: 'GREAT DREAM' within our NPS community by focusing on **Emotions**.

**Choose to be optimistic.
It feels better.**

~ Dalai Lama

ACTION FOR HAPPINESS

What good things have
happened in your life recently?

By choosing to stay optimistic, we can cope better with difficulties and get more out of life.

Positive emotions - like joy, gratitude, contentment, inspiration, and pride - don't just feel good when we experience them. They also help us perform better, broaden our perception, increase our resilience and improve our physical health.

So although we need to be realistic about life's ups and downs, it helps to focus on the good aspects of any situation - the glass half full rather than the glass half empty!

- Do something that you know will make you feel good. Listen to music, watch something funny, get outside or call an old friend.
- Try to smile and say something positive every time you walk into a room. Notice the reaction you get.

**SEE LIFE AS
IT IS, BUT**

**FOCUS ON
THE GOOD BITS**

ACTION FOR HAPPINESS

Look for what's good

Sports at NPS

What a *busy* time it has been with sports at Norwood Primary over Terms 2 & 3! Our Year 5 and 6 students have had various **SAPSASA** sporting opportunities in **Soccer, Basketball and Netball**. All teams represented Norwood Primary at a high standard and overall were very successful with our **Boys and Girls Netball teams** making the finals competition. A big thank you to the coaches and parents who have supported the students for these games.

*Congratulations to
**Rebecca M, Asha S,
Bronte P and Sarah T**
for being selected to
play in the East Adelaide
Metro Netball team
(pictured below).*

We also had a small group of Year 4, 5 and 6 students be selected for the **SAPSASA Athletics Day** held at Bridgestone Stadium on the 2nd September.

All participants performed strongly in the track & field events, with many making the finals. *A special mention must go to **Sofia O** for being selected for the East Adelaide Metro team for her fantastic 1st place result in the 800m run.*

Additionally, a special mention must also go to our **Senior Girls Netball Team** winning their grand final match (*and sadly, their last game all together*) against a very strong opposition team, and also to our **Junior Year 2/3 Basketballers** on a great first season together!

Congratulations to all of our students for all of their sporting achievements and success!!! Many thanks of course must go to all of **our coaches and volunteers** - **none of this could happen without YOU!!!**

I am looking forward to *even more sports* in Term 4 (*Kanga Cricket, Basketball and Summer Netball*) and also our **SPORTS DAY** held later on in the school year.

Joe Kisiel.
